He has a tendency
to be very sharp
on this occasion.

I am getting a bad
feeling. I feel like
there are much
more than eyes can

You are awake.
How does your
head feel?

Anyways, you
will be sure nothing
about your child.
Now we're looking at
over your face.

Now please
come here

And here
around

Now I

Hi! I'm not
scary ma-

Please do NOT move!

What?
What do
you do
to me?

...

Ha -

Hachoooo !

Ha !

Ha!

I can't
breathe...

My
chest feels
a lot better...

Now...

That should
have made you
feel a lot
better.

We need to talk
now.

...

Have a drink first.

What is
he doing
now...

More importantly,
why am I even
obeying him
right now...

Well,
I've been
quiet on this
matter.

However, since
he is not here,
I am going to be
quiet blunt.

You have no
recollection of the
past, so it is easier
for you to treat
him badly now.

However, both
of us were reborn
with full recollection
of the past.

To make the
matter worse,
in our past,

You treated him really
well to a point that I
became slightly jealous.
So, your coldness to him
in present has angered
me quite a bit.

Thus, your
coldness could
hurt us really
bad.

If it weren't
you, I would
have confessed
my feelings
to him.

To him,
you were
his world.

And I am
sure you
cared for
him in your
own way.

But he couldn't
dare looking
up to you

"Now, it's
so pretty!"

"You are literally
shining like a
chunk of gold!"

And even you
know the difference
in social ranks.

Hang on...

I didn't think
a guy would
fall for another
guy in that sea?
I mean...

How can you see such an
adorable little creature
to be a guy?!

It's not like I am a chick
inspector or something!
Besides, he said so by
himself!

You can be
so slow
sometimes.

The figure you've
been drawing
lately on notebooks
are sick.

Was there anyone
else?

Please not.
I mean you no
harm.

Uh,
well ...

There was a guy
who claimed that
he was willing to
listen to my
problems.

I found him
weird, but
he didn't seem
like a bad
person.

You want
him, don't you?

He said,
he never
had any
sightless
boy.

Don't bring yourself
by something
and tell
the lie later.

— Haha.
Haha.

I will need to hate

you are embarrassing
me.

Don't worry about it.
I am supposed to help you.

... What?

Excuse me,  
I am in a  
hurry.

Hang on a sec.  
You mean even  
you thought I was  
a thief?

You mean  
you got the  
thief by just  
concoction?

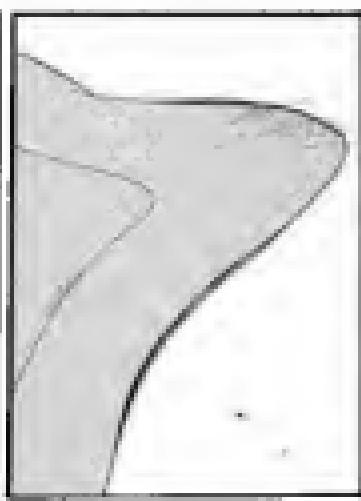

Can you slow  
down? For a  
shortie like you,  
you walk damn  
fast.
